Fixing Hair. Fixing Confidence!

With a vision to provide holistic hair care treatment to the individuals, VHCA Herbals Pvt. Ltd., a renowned manufacturer of herbal ayurvedic products, forayed into the hair care segment in the year 2000. The VHCA Hair Clinic is the world's first ayurvedic hair clinic specializing in natural hair care treatments to address all the hair fall worries of an individual.

VHCA Hair Clinic is backed by the prestigious VHCA Herbal Pvt. Ltd. group, which is in the manufacturing and development of ayurvedic products since 1928. The brand's develops ayurvedic medicines and products after careful and extensive research and development, resulting in high quality and effective products.

Moving Ahead with Great Expansion Plans

Heading with an aim to spread health and wellbeing, the VHCA management aims to expand their presence beyond North India through franchising.
